

Introducing MSC Musica

MSC Cruises is proud to introduce the newest addition to our fleet, the MSC Musica. Offering our guests the most modern and elegant in design and amenities, enjoy her spacious staterooms, the majority of which offer private balconies, numerous boutiques, and exciting entertainment venues. Our shipboard staff is dedicated to ensuring premium class service, whether at dinner in the luxurious Le Maxim Dining Room or at any other of the Musica's onboard venues such as the Kaito Sushi Bar or the Enoteca Wine Bar.

MSC Musica

Making her inaugural voyage in July 2006, the MSC Musica is our fleet's newest and largest ship. The interior design blends themes reminiscent of Art Nouveau with the geometric designs of the 1930s Art Deco movement. The lavish accommodations are apparent throughout the ship's staterooms and amenities as well as in her restaurants. Get ready for a variety of activities to choose from, such as playing miniature golf, tennis, swimming on the sun deck, shopping, or pampering yourself at Le Parfum, the Musica's salon. In the central foyer, the surreal atmosphere of the three-deck high waterfall and crystal clear floor that suspends the grand piano above will dazzle you. We are excited to offer our guests the luxury of this state of the art vessel.
