

# MSC Sinfonia

MSC Sinfonia was built expressly to offer maximum comfort and space. Teak decks, a broad encircling promenade, a duo of inviting pools and lavish spa, a combination of mini-golf and a tennis court satisfy the most energetic exerciser and devoted sun-worshipper. MSC Sinfonia creates a symphonic composition where every staff member of the ship shares a single, over-riding ambition: making your time aboard among the most memorable of your life.
